l o n e tower, covered in moss, A ONE PAGE overgrown DUNGEON BY A few days travel from the nearest village there is an old wood. In that wood there is a lake and in the middle of that lake is a tower. Local folk know to keep their distance from this place, only death and danger lie beneath the surface common wisdom tells them. **OLOBOSK** Some whisper of rumours they have heard:

1. It's a sunken wizard tower. crumbling into the The lake water is blessed and harms evil creatures. It's an entrance to the underworld. MORE below. A s i n g l e window at VISIT A demon cult used to meet on the lake bed. Living moss attacks you if you enter the tower. Nobody returns from going inside.
